RECYCLING PROGRAM IN LEWISBURG

The City of Lewisburg offers free, curbside recycling for all City residents!

RECYCLABLE MATERIALS COVERED:

- Plastics #1 – water and soda bottles marked with a 1 or 01
- Plastics #2 Clear – see-through milk jugs and other jugs marked with a 2
- Plastics #2 Color – color and non-transparent jugs, detergent jugs, etc.
- Cardboard – Corrugated cardboard, product packaging, paper egg crates
- Aluminum – Soda / beer cans
- Tin / Steel – Soup cans, other tin packaging
- Newspaper – Matte, non-glossy newspaper
- Magazines – Glossy, magazines, brochures, newspaper promotional inserts
- Office Paper – Printer paper, envelopes, letters
- Corded Electronics
- NO: grocery bags / Styrofoam / batteries / TVs / Plastics #3-7

All material types should be bundled or bagged individually if possible. Please thoroughly rinse all bottles, cans, jugs, and containers. Newspaper & computer paper should be clean, dry and placed in grocery bags or tied in bundles with twine around each side (no wire please). Magazines and Cardboard may be similarly packed. Corrugated cardboard boxes need to be flattened. Cereal boxes need to have inside liners removed and be flattened. It is greatly appreciated!

Bags for plastic (yellow) and metal (orange) recyclables are available at 1108 Washington Street East or contact Greenworks for more info.

Due to a challenging economic climate - it has become very difficult and nearly cost prohibitive to recycle glass. Through creative partnerships, we are one of the last glass recyclers in WV and can offer glass recycling service for \$14/month. Payments may be made by cash, check or online using Paypal or a credit card.
